

**Village Park Evangelism Outreach: Going into all the World means  
Just that...Our intentions must  
Be direct. Many are lost and we  
Are needed at Village Parks too.**

- We have passed out tracks to people in shopping Malls and Village Parks just to tell people Jesus loves them. The Park Disciple must not have a fear of rejection or the enemy will attack without provocation. No matter how deep we are in the word of God the attacks will come. The enemy comes as a roaring Lion (1 Peter 5:8).
