

Door-To-Door: Going door-to-door to soul win is something Paul the Apostle had to do to Evangelize at first visiting

- **Door-To-Door Ministry has always been necessary to meet the people located in our community. Ministry has to go outside of the Church to become viable. Usually Team based and well organized for the most effect. Gods evangelistic minded disciples are always available to reach out to those who have been truly touched by His Grace and Mercy.**
