"It Takes Compassion To Go Into The World"

When will we feel moved to acknowledge John 9:4 in our matter of fact lives? The tendency to commit to God is coming through a selfish inclination to sometimes agree with the enemy. I want to adhere to the mind of God but doubt brings about a lack of care which violates Gods power to Romans 8:28 our dispositions. Greater love

Hath no man than this that a man lays his life down for another brother/sister (John 15:13). In the interim of temporal life as believers we will mount up treasure (Matt 6:21) if we take God at His word for he that saves a sinner from the error of his way shall hide a multitude of sins (Jes 5:20). It is our faith that prompts us to talk to strangers we don't know about God's love.

"Is It Eccentric To Love God"

Many people today avoid showing the love of by extremism because they feel it is an insult to advertise their religion in public but sharing Christ is a privilege. We love Him because He first loved us (1 John 4:19). Developing the ministry of love in our lives is as easy as saying yes to God right now... We need to understand that in fifty to a hundred years most of us won't be here. But we will be somewhere for sure. God has an alternative to outer darkness (Hell). His alternative is to live with Him (Rom 10:9-10) for an eternity.

"Jesus' Life Depends On Our Call"

What is our call today? Limitations in our belief will be generated by how deep we perceive the call God is calling us with. When we, as Jesus' bride thinks Jesus doesn't see us as His bride we terribly under

estimate the agenda God is operating on while planning this future event for Bride and Groom. To be sure, choose you this day whom we shall serve and give ourselves a chance to let Christ in.

"Did Jesus Die So That We Should Not Tell Others"

How ludicrous this statement is when lives are concerned. For now we see only a reflection in a mirror; then we shall see face to face (1 Cor 13:12). Our prevalent relationship with God is all he will unveil at this time but when we see him we will be like Him. Telling others about Christ is an occupation for life while we are on earth. Jesus says He loves us just the way we are with our faults. Why keep turning Him off for 5 minutes of fun. Invest in eternity.
