#### "TDDN: Prison Ministry Needs Volunteers"

Who would've ever thought God would let Christians suffer Prison to start our walk and obedience ministry with Him? To appease the God of the universe we must come to the Lord on our knees with fear and trembling (Phil 2:12). Our Prison cells are full of men and women who have never tasted the goodness of God before going to

Prison. Is it any wonder that God would put inmates behind bars to be witnessed to by you and me for the glory, yet most Christians are doubtful if God would do this or not. Remember, scripture announces that everything works for the good of those who love the Lord and are call according to His purposes (Rom 8:28). What a good God we have today.

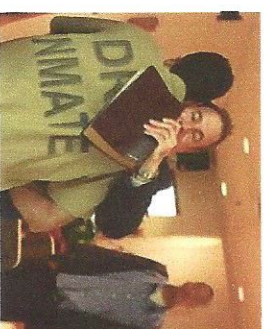

#### "How To Answer The Call Of Prison Ministry"

First of all, God says, to preach to every creature (Mark 16:15). Is it any wonder why God would have us requisition the whole world for Christ sake? We stand in His grace (Rom 5:2) and His love is shed abroad in our hearts (Rom 5:5). What can be more positive to illustrate to the 21<sup>st</sup> century Prisoner that is positioned to receive a blessing for their suffering today. If we suffer with Christ we will reign with Him in glory. That is to say, Gods plan involves all players of His grace and mercy.

#### "Lots Of People Answering The Call For Prison Chaplain"

In every fellowship meeting there are soldiers of the cross chosen to do Prison Ministry. God chooses them on the basis of His eternal mechanism which you and I are unaware of. Grace being the absolute highest priority we must depend

on Him for completeness of the operation. We know when God is leading us into any specific ministry for Him by the way He exhibits His mercy on us. We sense His presence when we least expect it.

#### "How Does One Say No To Helping Bro/Sis in Prison?"

First of all, the gift God has challenged us with is tailor made for the Christian who has turned it over to Christ. After receiving CIA clearance we must undergo the many obstacles the enemy will take us through to detour us towards another way. Remember, God is not interested in the final results but how we go through the obstacles of life. God is calling us to a higher calling. Now take a deep breath and lets thank God for the interest in us.
